XXI. Interamerican Foundation of the Heart México. The Journal is currently indexed in several databases, including Scielo, Free Medical Journals, Latindex, BVS, and Google Scholar, among other. Its scopes include original papers related to disease heart, blood vessels and related health sciences. The Journal publishes original research articles (experimental investigation) both clinical and preclinical; epidemiological papers; review topics (usually by invitation), editorials, letters to the editor and news of various associations.

In order to be accepted, all manuscripts are initially evaluated by at least two peer reviewers and finally sanctioned by the Editorial Committee. The Journal accepts, in general terms, the stated guidelines by the International Committee of Medical Journal Editors. Manuscripts should be prepared according to the Requirements of Uniforms for Submission of Manuscripts to Biomedical Journals. The updated version is available at: [www.icmje.org](http://www.icmje.org). All submissions should be made on line at the Journal's site. New users must first create an account. Once logged in, submission should be made via the Author Center. If you experience any problem with your submission, please contact the editors at [revmexcardiol@gmail.com](mailto:revmexcardiol@gmail.com). Submitted manuscripts should not be under review in any other journal. Moreover, all submissions must include full disclosure of all relationships that could be viewed as presenting a potential conflict of interest. If there are no conflicts of interest, authors should state that there are none.

Accepted papers will be owned by the Journal and may not be published (either whole or partial) elsewhere without written permission of the publisher.
