México, D.F. 03720

Dear Dr. Esper:

Thank you for submitting the program titled ***"XXXIV Reunión Anual de la Asociación Mexicana de Medicina Crítica y Terapia Intensiva"*** for endorsement by the Society of Critical Care Medicine. I am pleased to inform you that, after review of the program, the SCCM has elected to **endorse** the program.

The endorsement application has been received. A copy of the Society's official logo for your use on promotional and handout materials is attached. Please note the following:

The SCCM logo should have the words "endorsed by" placed above the logo. SCCM must approve in writing the .pdf of the preliminary educational program and all promotional materials and/or brochures in advance of their printing. Promotional copy cannot be competitive in nature with any SCCM programming. Once written approval is obtained from the SCCM, NO changes can be made to either the educational program and/or the promotional materials without resubmission to the SCCM for review and approval. These materials should be sent to Nancy Stonis at nstonis@sccm.org as soon as they are available.

The Society will include your program on the SCCM website and in the calendar section of *Critical Care Medicine*. Endorsement is granted as a one-time use and a new application must be completed for any reoccurring programs, or additional dates from the initial approval. In addition, we will be happy to provide you with complimentary mailing labels of the SCCM membership for a one-time mailing. A mailing label order form is available online at:

http://www.sccm.org/corporate_resources/mailing_lists/index.asp

Please note, additional mailings can be done, but the list must be resubmitted in each instance at your own expense. If you have any questions, please contact me at 847/827-7088. Thank you for your continued support of critical care medicine.

Sincerely,

Nancy Stonis, RN, BSN, MJ
Director: Program Development and Professional Affairs
